

75th Anniversary Celebration

The Ohio Psychiatric Physicians Association (OPPA) is gearing up to celebrate a momentous milestone – its 75th anniversary in 2025! Established in 1950 as the third district branch of the American Psychiatric Association. OPPA has a rich history of dedication and service for Ohio's physicians specializing in psychiatry and the patients they care for.

In celebration of this important milestone, we are hosting a 75th Anniversary Gala on March 1, 2025, at the Hilton Polaris in Columbus.

We invite you to become a valued sponsor for this historic event. Your sponsorship would demonstrate your commitment to mental health care and support our ongoing impactful efforts.
